The summer of your life...

UK Residential Summer Camps ❖ English Summer School ❖ London Day Camps

3 - 17 year olds
Welcome to XUK!

We believe that a summer camp should allow children and teenagers to create friendships and memories that will last a lifetime. Surrounded by laughter and adventure, our aim is to provide a supportive environment that allows your child to develop in a safe and beautiful setting.

Over 20 years of experience has taught us that in order to achieve this, campers and parents must feel that they are in safe, capable and trustworthy hands. Many of our campers return year after year to see old friends and make new ones. We are privileged to see them progress over the years.

We both have families of our own (6 children between us!) and are committed to the well-being and safety of everyone at camp. We retain a hands on approach and are always free to be contacted with any questions you might have about XUK both before and during camp.

We run two residential activity camps, a residential summer school and a day camp and we look forward to seeing you at one of them this year!

Richard and Nick Bernstein, XUK owners (and brothers).
We have three age groups at XUK Activity:

Juniors (6 - 10 years old)
Intermediates (10 - 13 years old)
Teenagers (13 - 17 years old).

Each age group has its own specialities but a focus on safety and an unbeatable XUK atmosphere is common throughout.

For campers who want to try something different outside of camp, we offer exciting additional trips!

Why not add Go Karting, Theme Park, Canoeing, Laser Quest, Driving Lessons or a London trip?

We also offer engaging and interactive English lessons for our overseas campers.

Thank you so much for the wonderful experience… A confident and happy teen returned who was sad it was only one week! I’ll definitely be in touch next year…”
